

LOST LAKE RCD - Lake Management

LOST LAKE

Spring 2025

BOAT REGISTRATION

It's time to think about boat season! Be sure that all of your boats are registered for the upcoming season and have legible decals on them.

ALL boats that will be used in our lake must be registered with us. This includes kayaks, canoes and pedal boats. Registration decals do not expire and are available at no cost.

If you store your boat(s) on our rental racks, be sure to check the rental decal(s) to be sure they are valid for 2025. If you'd like to place boats on the rental racks, please

complete a rental form to get the appropriate rental decals.

Registration and rental forms can be found on our website lostlakercd.org or at our office at Lake Court Center.

UPCOMING PROJECTS

Once the weather breaks, we will be working on some projects:

- The boat dock behind Lake Court Center will get a makeover.
- The boat docks at both the east and the west boat launches are in need of repair or replacement and will be addressed.
- We are also looking at the possibility of adding rental docks on the west side due to the high demand. We may not be able to add docks due to the water depth in this location, but we will explore all possibilities.
- The road/parking lot at North Beach is in disrepair, and we will be looking into costs to fix this.

NEW BOARD MEMBER

Please help us welcome our newest board member, **Tim Spelde!**

Tim has a passion for our lake and has been leading the Fishing Club. He has served on the RCD Board before and has chosen to rejoin us in an effort to make Lost Lake better than ever before.

Tim has jumped right in by volunteering to be our Board Treasurer & Secretary.

We are excited to have him on board and look forward to 2025.
