October 1, 2024 - January 19, 2024

EXCEPTION: Archery Hunting is CLOSED during Firearm Seasons, Nov.22-24, Dec.5-8, & Dec.13-15.

Archery Hunting is allowed in the area north & west of the campground (on the other side of the creek).

Permission to hunt is allowed by permit only. Rules are as listed below:

1. All hunters must register by September 1st with a non-refundable fee of \$50 (check made out to RCD) and have their tree stands in place by September 15th. A signed liability waiver will be kept on file with the RCD office. Hunter must also provide a copy of their hunting license & deer tags.
2. All bow hunting rules and regulations as posted on the Illinois DNR website must be adhered to. A copy of your hunting license and bow hunting permit shall remain on file with the RCD office
3. Up to nine bow hunting permits will be made available by a random weekly drawing. The only areas available to hunt is the RCD property north of the campground creek.
4. If more than nine hunters sign up, necessitating a lottery, the hunting coordinator will notify hunters of their designated weeks. Weeks run Friday through the following Thursday with hunters being notified the Thursday before. Names will be re-submitted automatically unless you opt-out for that week.
5. To be eligible to receive a permit, you must be a taxpayer in the RCD district and be within good standing with the RCD. ONLY the person listed on the permit is allowed to hunt RCD property with the exception of one minor, under 18, who may hunt with the permittee, as long as IDNR Youth License requirements have been met.
6. An RCD permit will be issued and shall be posted in the vehicle (if parked) or on your person while hunting the campground property.
7. Areas to hunt are marked on the attached RCD property map (available in the RCD office)
8. No screw-in type tree stands or steps are allowed on RCD property. No tree stand shall be placed or hunting performed within 100 yards of a home. You must label your stand with your contact information and remove the deer stand by April 1st.
9. **If you harvest a deer or turkey, you must notify the RCD. If a deer or turkey you are tracking crosses adjacent private property, you must notify the RCD immediately so that we can get permission from the property owner for you to enter their property to track the animal.**
10. **The RCD reserves the right to cancel the program or revoke a permit at any time.**

I have read and will abide by the above rules and regulations regarding the privilege to bow hunt on RCD property.

I hereby for heirs, executors, administrators, or myself, waive and release any and all rights and claims for damages I have against the RCD or ULLPOA, Dixon, IL, and their agents for any losses, death, or injuries suffered by myself and/or by my family member while hunting on the RCD property designated above.
